

Move to a New Office Location

Shenzhen, 6 January 2014 – Sinolinguist Lab Limited (“Sinolinguist”), a professional Chinese language service provider based in Shenzhen, China, has moved to a new office location to better serve the needs of clients and accommodate expansion in future.

“The move gives us more room for the growing translation and desktop publishing (DTP) businesses, and also will allow us to better serve the needs of our loyal clientele,” said business director Joe Young.

The new Sinolinguist office at 24 Liu Xian Blvd in Shenzhen is seated in the Caiyue Building which offers a conference center, ample parking, a luxury hotel, western-style restaurants, professional security, and direct access to the Metro lines (Huanzhong and Longhua) and the Guangzhou-Shenzhen-Hong Kong Express Rail Link.

About Sinolinguist

Sinolinguist is a professional Chinese language service provider that specialises in translation, interpretation, copywriting, and desktop publishing (DTP) services, helping its clients solve the toughest cross-language challenges and better communicate.

Governmental and private organisations most turn to us for reliable, competitively priced translation services within the following sections:
